

## MySchoolSask (MSS) Student Portal Information

Regina Catholic Schools has moved to the provincial unified student data system known as MySchoolSask (MSS). Student accounts have been setup for all high school students in the MySchoolSask (MSS) Portal. These accounts will be replacing HomeLogic and will function in a similar way – students can access their timetables and gradebook via this student portal.

There is a single sign on setup so student account login information is the same as their student school computer login. See the log in instructions:

1. The link to the new MSS site is <https://myschoolsask.ca/aspn/logon.do>
2. At the bottom of the login screen, click the drop down and select Regina RCSSD 81 and then click the AASP button. There is no need to enter anything in the Login ID or Password fields.

This is a screenshot of the MySchoolSask/MonEcoleSask Production login interface. It features a light gray background with a white border. At the top, it says "MySchoolSask/MonEcoleSask Production". Below this, there are two input fields: "Login ID" and "Password". Under the password field, there are two links: "Trouble logging in?" and "I forgot my password". A "Log On" button is located below the password field. At the bottom, there is a "Log in using" dropdown menu currently set to "Regina RCSSD 81" and an "AASP" button.

3. Students will be taken to this blue screen and here they enter their regular login.

This is a screenshot of the Regina Catholic Schools sign-in screen. It has a solid blue background. In the center, there is a white box with a light blue border. At the top of this box, it says "Regina Catholic Schools" and "Sign in with your organizational account". Below this, there are two input fields: the first contains the text "lpaul-bereti" and the second contains several asterisks. A blue "SIGN IN" button is positioned below the password field. At the bottom of the white box, there are two links: "Change Password" and "Website".
