

English Language Arts A10

- Summer Reading

Dear Student,

Following is a list of the novel options for your Novel Studies this summer. You will read two novels throughout the semester, so I suggest you begin reading prior to the summer semester starting.

You can choose which novel from this list you'd like to read based on your interests. You can find summaries and reviews on Amazon or Goodreads.

You may also want to ask the opinion of other people or students who have read the books in the past. If you start reading a novel and decide after a few days that you don't like it, you can change your mind. I want you to read a book you're interested in.

OPTIONS For Novel Study 1:

- *The Bite of the Mango* by Mariatu Kanara
- *Numbers* by Rachel Ward
- *The Absolutely True Diary of a Part Time Indian* by Sherman Alexie
- *Locked in Time* by Lois Duncan
- *The Chrysalids* by John Wyndham

Options For Novel Study 2

Choose a novel from the list. These novels all relate to one of the major themes in ELA A10: The Mysteries of Life.

- *Divergent* by Veronica Roth
- *Locked in Time* by Lois Duncan
- *All Good Children* by Catherine Austin

Happy Reading!
